

MANAGEMENT COMMITMENT

Our purpose is to be the preferred partner for our customers and suppliers in the field of textile fibers recycling and commercialization.

The quality controls we carry out allow us to make deliveries in compliance with our customers' requirements.

We aim for a long-term relationship with our customers and suppliers, which makes us a reliable company.

The company's management is committing to developing a non-stop management quality system in order

- to listen to the staff : motivation, satisfaction, Health and Safety,
- to develop autonomous abilities of each employee and make them aware of their responsibility,
- to comply with the regulations, the customers' requirements...
- to meet the customers' needs : quantities, quality, service,
- to contribute to a long-term economic growth.
